

Old Red:

Through the Eyes of the Community

Local artists bring their visions of this majestic 19th-century building to Old Red's Special Exhibits Gallery to illustrate the history of Old Red. Photographs, paintings, sketches, sculpture, and children's art illustrate the past and present of Old Red, bringing the story of the former Dallas County Courthouse to life. Artifacts from Old Red's 117-year history will be on view to the public for the first time. Explore the mysteries of Old Red from the ground up. Don't miss the chance to add your work to this fascinating exhibit – post to our Old Red Community Bulletin Board and show us your Old Red.

Special rates are available for groups of 20 or more!
